## OTHER OFFERS

In addition to these offers, Palladium also have various other services available, some of which may also qualify for funding. Please contact us to learn more.

### IMPORTANT NOTE\*

The grants mentioned are from Milton Keynes Council and there are various qualification criteria to receive them. Your business must be trading for over 3 years for the existing business grant and for less than 3 years for the new business grant. Full terms and conditions are available with the respective grant applications.

In order to receive a grant, your business will need to apply for the grant, meet the required qualify criteria and your application will need to be accepted whilst funds are still available. Please note that Palladium is not involved with the actual grants.

Palladium can however help you and guide you through the grant process from start to finish, if required. However, we can provide no assurances that your grant application will be accepted.

In terms of the Palladium offers mentioned in this document, if you proceed, our terms of business and full details of the service you decide to proceed with will be provided. The details in this document are simply general details - not contractual terms.
